

Chamber Owner Circles (COC)

Business owners are called on to lead, motivate and turn a profit. **YOU** need to think big and act with laser focus. **YOU** rally the team. **YOU** inspire. And, **YOU** make tough decisions!

The Columbus Chamber has created a forum for business owners to participate in small group, confidential, monthly dialogues, all designed to improve your business. **For an annual investment of \$300, business owners from non-competing businesses will meet monthly to share wisdom and learn from self-facilitated discussions.**

COC Registration
