

WE ARE SMART COLUMBUS

As the winner for the U.S. Department of Transportation's first-ever Smart City Challenge, Columbus was awarded \$50 million in funding and the designation as America's Smart City. In addition, we're taking on the coveted job of "becoming smart" by embracing the reinvention of transportation to accelerate human progress.

Our moment is now, Columbus.

The opportunity to recreate our city is a vast, collaborative, highly interactive, human experience. We are leading Columbus to the future and ensuring your place in it. But this movement will take all of us. We invite you to join our efforts.

SMART MOBILITY OPTIONS

LIME AND BIRD

Enjoy a ride on a free-floating Lime or Bird scooter. Download the app to see if scooters are available near you. Remember it's city law to ride on the road.

Lime

COGO BIKESHARE

Rent a CoGo bike from one of the many stations across Columbus and park it at any other station around town. Remember it's city law to ride on the road.

COGO
BIKE SHARE

COTA

Catch the CBUS, a complimentary transit service operated by COTA connecting the Short North, Arena District, Downtown, German Village, and the Brewery District. If you don't live by the CBUS route find a better route for you on COTA's trip planner tool.

COTA

LYFT & UBER

Avoid the hassle of parking by taking a Lyft or Uber to your destination.

UBER

ELECTRIC VEHICLE CHARGING

If you have an electric vehicle, download the PlugShare app to see where the closet EV charger is to your location.
