SMALL SERVES 1 \$13-\$15

The Small Bowls are what made Roots famous years ago! This is your order for grab-and-go events, as well as smaller group luncheons. Big Bowls are larger versions of our small bowls and feed 10 people. A Big Bowl order is the choice for medium-sized get-togethers, game day, or if you have limited set up space. Chose a couple signature bowls, take the lids off and your work is done. It's that simple. Visit our website to view the full range of signature bowls.
