Night*

New Concept Exclusive to Central Ohio

ALS United Ohio is excited to bring you Farm to Table(auX), a luxurious and surprising event unlike anything Columbus has ever seen! Join us for a cocktail soiree and three-course dinner program to bring direct care and support to people living with ALS.

- Feast on farm-to-table cuisine
- Indulge in artisan cocktails, craft beer and wines
- Enjoy creative Tableaux Vivants
- Enter the Mystere Box raffle
- Bid on artful auction items

The theme for this stunning event is DaVinci's Arty Night. Inspired by his masterpieces and Italy's famed cities and cuisine, guests will enjoy a magical evening of mouthwatering farm-to-table cuisine, interactive entertainment, and auction items you'll vie to take home.

Benefiting People Living with ALS

Most of us know ALS as Lou Gehrig's disease, but it stands for Amyotrophic Lateral Sclerosis.

ALS gradually robs people of the ability to speak, eat, walk, and finally – to breathe.

It's an insidious disease that takes away everything. That's why we must do everything we can to fight it.

ALS United Ohio exists to provide comprehensive support and advocacy for people with ALS and their families, while advancing research for new treatments and an end to ALS. Together, there is hope.
