Beyond the Classroom

A Network of Support

Through the education program, you will have opportunities to learn from other small business owners, receive expert advice from business professionals, get one-on-one business advising, and join a national network of 15,000 entrepreneurs following graduation.

Access to Capital

Goldman Sachs *10,000 Small Businesses* partners with Community Development Financial Institutions (CDFIs) and other mission-driven lenders to expand access to capital for small businesses. Through these partnerships, loans are available to qualifying small businesses that lack access to affordable capital or may not qualify for traditional sources of credit.
