OHIO Community Engagement Day!

Saturday, June 27
11 AM - 2 PM
Mill Run Plaza & Donor Center

Come together for a special lifesaving event

Versiti Blood Center of Ohio's Community Engagement Day brings together lifesaving blood donors, enthusiastic blood donation advocates, and local organizations and vendors who share our vision of a healthier, more connected community.

Taking place on June 27 – and hosted in conjunction with the Faith Thomas Foundation – this event is perfect for the whole family, with free games and activities, a local vendor fair, food and a live DJ, and so much more. Find community at Mill Run Plaza, and you can learn more about the impact of blood donation.
